

The Courthouse is OPEN

However, each Department will have limits on the number of people allowed into each office.

Plan on Extended Wait Times for ALL Services

Only those people critical to completing the transaction should enter the courthouse, all others should remain outside.

Be mindful of Social Distancing and try to keep at least six (6) feet away from others.

Follow the arrows when using the stairs and keep to your right. Elevator use should be limited to one person (or family unit) at a time.

A Drop Box is located by the courthouse door (parking lot side) and is available 24 hours a day.

Ballots should NOT be placed in the outside drop box. A ballot drop box is available inside the courthouse.
